Lice Check

All kids are required to have a head check for lice before registration and getting their housing. This experience of being checked at camp should be avoided if at all possible. This can be bypassed if you do a lice check at your church before leaving for camp. Just have a qualified person, (teacher, nurse, etc.) to give each child a thorough check and turn in a list of kids names. Have the qualifying person sign as to each child being free of lice. Checks by our nursing staff will cost you \$2 per child and will create an extra wait before you can register your kids.

I have checked each of these children for lice and they are lice free. I understand that if children are brought to camp with lice, they may be sent home.
